## Infant Program

Infants will be cared for in a warm and nurturing environment in which they will gain confidence in themselves and their environment. The infant curriculum offers activities that constantly engage your child motor, cognitive, intellectual and reinforce sensory, language and development.

## Summer Camp

We offer an exciting Summer Camp here at Kid's Corner every year during the months of June, July and August.

Water Play and sprinkles are a big part of our summer camp.

## Toddler Program

As infants grow and become toddlers they begin to explore their surroundings and interact with the world around them. Our curriculum will focus on developing your child with cognitive, physical, social, language and self-help skills.

## Two's Program

Two years olds demonstrate a desire to become independent yet they are learning to share and socialize. Two year old curriculum encompasses well-planned learning centers that promote the development of emerging skills.

## Preschool Program

The three year old curriculum engages the child in a more structured academic schedule with focuses on developing their understanding of language, vocabulary, social studies, science and social skills.

## Pre-Kinder Program

The PreK-4 curriculum is geared to prepare your child for kindergarten while challenging them and supporting all areas of development. This program concentrates on reading, writing, vocabulary, math, the arts, social studies, science and social skills. Personalized learning plans will be developed for each child, which will be reviewed throughout the year to ensure readiness for kindergarten.
